

On June 30 Town of Sullivan Democrats unanimously endorsed Kerry Ranger of Bridgeport as their candidate for Town Council in this November's general election.

A graduate of SUNY Morrisville, Kerry operates a small flooring business in North Syracuse. In addition, he is active with the Bridgeport-Lakeport Civic Organization and the St. Francis Food Pantry.

After attending numerous Town meetings Kerry Ranger recognizes the need for change and fresh ideas and looks forward to bringing his small business experience to serve Town of Sullivan taxpayers.
